

Cherrywood Middleton, WI

If your property search is focused on spacious and unique homes in the Middleton area, Cherrywood real estate is a great place to begin. There is great variety in the style, size, and price of homes in Cherrywood. All are located close to shopping, restaurants, and business parks, while maintaining a country feel. Portions of the subdivision feature contemporary designs and large parcels of land which offer private and natural settings. Other sections contain homes dating back to the 1970s. More recent construction, and even new construction is available here. Cherrywood includes a wide range of properties suited for a variety of budgets and preferences. Many houses here are built on large wooded lots which offer plenty of shade and privacy. Floor plans typically include 4 to 6 bedrooms and more than 4,000 square feet of finished living space. Features such as granite counter tops, hardwood floors, and cathedral ceilings are common.

5 Parks 

1 Golf Course 

8 Minutes to Beltline 

Local Parks & Recreation

The properties in Cherrywood are surrounded by ample green space, parks, and golf courses. Goth Park, Pioneer Park, and the Tumbledown Trails Golf Course are all easily accessible from the neighborhood. Many other outdoor destinations are just minutes away by car.
