Wyndemere Condominiums give the feeling of a stand alone home, while connecting neighbors with shared space to enjoy together. Garden style condos offer 2 bedrooms and 2 bathrooms. Two story townhouses vary between 2 and 3 bedroom options. Some units include a bonus loft in the master bedroom, creating extra space for offices, reading nooks, or even a nursery. There are 2 full bathrooms and 1-2 car garages with each property. Wood burning fireplaces add warmth and beauty to the homes. Wyndemere townhomes and condos were built in the early 1980s. They range between 900 and 1,600 square feet. Many properties have small yards that give the feeling of private homes, in addition to common green space and a striking gazebo. The community is located along Old Sauk and Gammon Roads, allowing for immediate access to bus routes and quick access to shopping, restaurants, and other conveniences.

The Wyndemere Condominium Association is professionally managed by an outside firm. Fees cover snow removal and lawn care, trash removal, common area insurance, and a reserve fund.
